From the Principal's Desk

At the outset, I take this opportunity to welcome the students and staff to the New Academic Session 2011-2012. This session has started with new commitment and challenges. The school is marching towards optimum utilization of resources by adding new activities duly supported with well laid-out infrastructure. It is due to the untiring efforts of our Mentor Padmashree R S Lugani, Managing Trustee, with supportive Parents and Teachers, that has made it possible for Gurugram Public School to grow by leaps and bounds. Next session we are opening the second branch of the Gurugram Public School at Sector 62. The new school incorporates excellent infrastructure, space and facilities. We reiterate our firm belief and commitment to reach out to people through the medium of quality education. We are striving to succeed in our endeavour in this regard.

Looking forward to continued support from Parents, Staff and Students.

PARENT'S FEEDBACK (Via email)

Dearest Anita Madam,

Thanks for making my day.....

In the last few years, 15th Aug went past just like another holiday, waking up late, reading newspaper, taking naps after breakfast in an attempt to get rid of the sleepiness and so on....

However, this Independence Day was different, in GPS International School, watching the excellent performance of the budding stars. Congratulation to the entire GPS Team for making the programs so loving and memorable despite the scarcity of time for preparations. In particular the group dance on the song "Chak De India" was overwhelming. Being an audience at the function reminisced me of my school days.

I would also like to convey my appreciation to the Gurgaon Administration for this initiation, If I 'm not wrong, the Flag hoisting and Independence Day celebration in Gurgaon schools was unique in entire NCR.

Thanks for taking the lead and declaring that from now onwards, the GPS International School shall be hoisting the National Flag and celebrating the Independence and Republic Day on the due date in the school premises (no more flag hoisting in advance).

Once again my heartiest congratulation to everyone....

Thanks & Regards,

NEW VENTURES

EDUCOMP – SAS

EduComp Smart Class is a technology oriented initiative for schools. It provides tools and content for interactive self-paced learning by students as well as rich-media presentations for Teacher-led classroom learning. We in Gurugram Public School are fortunate to have Smart Board installed in classes Pre-Nursery to XII and SAS (Self Assessment System) format in 2 class rooms. With the help of SAS, students answer a set of questions displayed on a large screen. Teachers instantly are able to get a Score Sheet for every child in the class.

Smart Class

SUMMER CAMP

From 16th May to 28th May, 2011 a Summer Camp was held in the school premises. It included a wide range of activities like Drawing, Painting, Music, Arts, Web designing, Skating, Sports etc. Students participated with great enthusiasm and got an opportunity to showcase their talent as well as to project their own individuality. At the conclusion of Summer Camp, a number of competitions were held honouring the outstanding participants.

Drawing Class in Summer Camp

EDUCOMP ONLINE

At home, students can access the content through EduComp Online, a portal dedicated to provide the Smart Class schools with a 360 degree learning experience. The Smart Class system includes a Virtual School where Parents, Teachers and Students can communicate with each other. Teachers can upload assignments for Students to download the same and make available important information for Parents to view.

MGRM

The school is proud to announce the successful continuation of M-Star, a versatile, cutting-edge total educational e-governance system developed by MGRM since last three years.

NTSE CLASSES

NTSE classes are being conducted after school hours from 2:00 pm - 4:00 pm thrice a week on Monday, Wednesday and Friday to prepare students in a planned and consistent manner for the forthcoming examination. The Students are being coached by In-House Teachers as well as Guest Teachers.

DAY BOARDING CLASSES

For the current session Day Boarding Classes have commenced under the able guidance of Incharge Prema Iyengar. The strength of classes is increasing day by day which is a positive reflection of the improved academic performance of these students. These classes are geared up to meet the requirements of working families.

VISIT TO PRAGATI MAIDAN

To be a successful individual one needs to be quite familiar and aware of the career opportunities. This could only be possible by knowing about the different careers choices available in different fields and how to approach our goals. Our school took a great initiative by sending us to the Career Expo held in Pragati Maidan on May 20, 2011. The trip was organized for the students of classes XI and XII. It was a great experience. There was a hub of all the colleges, institutions and universities of Delhi and other parts of the country as well. Each one of them explained their techniques and infrastructure. It was great to know about the Career Opportunities related to Commerce and Science fields. Each institution provided pamphlets and brochures. I thank our school for the trip.

VISIT TO NEHRU PLANETARIUM

Anybody who has interest in knowing about planets, how they were formed and what is their composition then they should definitely visit Nehru Planetarium in Delhi. On 7th May, 2011 our school took us to Nehru Planetarium. It was a wonderful experience and more over as I am interested in planets so it was a double wonderful experience. We all started from our school at 9:30 a.m. on a pleasant Saturday morning. On the way we sang songs, played games. When we reached the Planetarium our expressions were like WOW!. The theatre was a round hall with a screen on the ceiling. The film started - it was a feeling that we are in space We were able to see all the planets alive. The beautifully well maintained and educative planetarium won everyone's heart. It was an exciting, wonderful and informative experience.
